

How to get started....

1. Measure all existing countertops, measure over sink and cook-top
2. On the next page sketch countertops to scale $\frac{1}{4}'' - 1'0''$
3. Indicate any appliances or sinks you currently have
4. For an ESTIMATE email or bring your drawing into Ispiri and they will gladly give you an estimate for your project. Please visit www.Ispiri.com or call 651.578.0122 for any questions.
5. Final purchase price of your countertop will be determined after a complete on-site measurement of your countertop space
