Tom Robey
Design Consultant

St. Paul, MN, December 7, 2009 – Ispíri, a full service design • build • remodel firm located in Woodbury is the proud winner of the 2009 honorable mention award for outstanding achievement in the Residential Kitchen \$60,000 to \$75,000 category at the thirteenth annual Contractor of the Year (COTY) Awards ceremony.

A celebration of the best in Twin Cities residential remodeling, the COTY Awards affords an opportunity for the Minnesota remodeling industry to acknowledge the year's accomplishments and to recognize individual successes. Hosted by the Minnesota chapter of the National Association of the Remodeling Industry (NARI) and sponsored by Scherer Brothers Lumber Company, this year's festivities drew more than 360 guests to the McNamara Alumni Center in Minneapolis.

With final scores based on photo submissions and project details, the contestants were judged by a panel of 24 remodeling professionals from the NARI of Milwaukee chapter. The 2009 COTY Awards recognized excellence in 25 categories. Competing with a record number of applicants in various categories, Ispíri is honored to be identified as a leader among this distinguished group of remodeling firms.

NARI of Minnesota established the annual COTY Awards in 1997 to foster a sense of pride and accomplishment among its members through friendly competition, as well as to increase public awareness of NARI professionals. All local award recipients will be recognized in local publications and on the NARI of Minnesota Web site (www.narimn.org), and many will also receive exposure in other regional and national publications.
