

Thanks ISPIRL,  
especially to Jamie, Jason,  
Tom, Aaron, and Jim.

You did a terrific job on  
the final project. The  
Screen porch looks great,

feels great! I know the  
timing was off, but it was  
worth the wait. We had  
a wonderful Christmas day  
enjoying the porch, and watching  
the snowflakes gently fall.

Tom, Aaron, and Jim did a  
great job on the wood work ~  
down to even the little details  
Thank you!

In the shimmering silence of winter,  
in the snowy-soft hush of Christmas,  
may every heart find peace!

With warmest wishes  
for a  
very happy holiday.
